Fall 2015 Poetry Revision Workshop — All levels are welcome to join in this five-week workshop designed to address those poems that seem to have potential, but are just not working. Building on in-depth feedback regarding the existing strengths and weaknesses of each poem, participants will develop fresh strategies for revising them. Through model poems and other materials, we'll look at entries and landings, tone, pacing, imagery, tension, form, structure, music, and the element of surprise. Participants will be required to submit a packet of four poems one week prior to the start date, and submit a revision of each on the second, third and fourth weeks.

- Meets: 6:45–9:00 PM, Thursday, October 1 – 29, 2015
- Location: TaborSpace, Room 05 (5441 SE Belmont, Portland OR 97215)
